Tuition Payment Options

All payments can be made via our online platform using either ACH debit to your bank account, or via credit card. There may be service charges for credit card payments.

Monthly Plan: Equal payments of tuition are made each month beginning the 1st of the month your child starts with our program.

Commercial Insurance: if your child receives any medical service at our facility (ABA, Speech, OT, Psych), we can work with your insurance company to off-set the costs based on their approved hours of medical care. Only medical services are covered by insurance. Educational services are not. You may be responsible for co-pays depending on your commercial insurance plan.
